### **INDUSTRY INSTITUTE PARTNERSHIP CELL (IIPC)**

One of the major challenges faced for management education today is the need to constantly adapt to the changing requirements of industry. Industry Institute Partnership Cell (IIPC) at Srusti Academy of Management, established with funding from AICTE, takes the initiative to conduct several activities such as - Corporate talks, Industry visits, Workshops, Industry studies, Industry Sponsored Market Research, Guest lectures, Seminars and participation of students in Industries' CSR Programmes. To foster the industry-institute collaboration, IIPC at Srusti provides an interface between the academic and the corporate world through interactive sessions and Internship Programmes. Leading practitioners from diverse industry backgrounds share their insights and management lessons. As a facilitator between academics and corporate, IIPC creates distinct spillover, benefits for the Institute in areas such as review of the training curriculum and alignment with recruiter expectations and as reinforcement for wider Internship and campus recruitment opportunities.

### TRAINING & PLACEMENT CELL

The Institute has an accomplished Training & Placement Cell piloted by a dedicated team and is equipped with experienced faculty and staff members guiding the students to reach their career goals. Career Guidance and Personality Development Seminars, soft skill development training and workshops and corporate talks are organized regularly to improve the performance of students in job market. The Cell also nurtures student-corporate interaction through frequent industrial visits, practical and effective training and projects of industrial relevance for the students, with the intention to close the gap that exists between an industry and the classroom.

# TRAINING ACTIVITY

Self Grooming | Team Building | Time Management | Reasoning and logical thinking | Business Correspondence | Presentation | Current affair Discussion | Extempore and GD | Cross Cultural Awareness | Stress Management | FAQs discussion to strengthen Domain Knowledge | Communicational Skill

Training is meant to polish the skills of our students to make them corporate-ready professionals. The existing strong amity between the Industry and the Institute creates a win-win situation for both the sides and also proves to be beneficial for the students. We groom our students by providing them Employability Enhancement Programmes from time to time throughout the academic session. It includes Corporate talks, Industrial Visits, Internships and regular training classes by certified trainers.

Srusti Academy of Management has always been a great interface for academia & industry.

It has been a journey of 5 years alongside this great Management Gurukul with its budding young managers. During these years we have recruited more than 25 students, the best talent pool who have proved their merit & worth, grown over times and showed what roots Srusti has imbibed through great learning atmosphere.

# SUMMER INTERNSHIP PROGRAMME (SIP)

Summer Internships are a unique opportunity for a student to get exposed to work situations before really starting to work in corporates. Summer Internship Programme provides the students with work experience that is directly related to the chosen specialization opted during the management program and is an important career-stepping stone and MBA hopefuls need to recognize this fact sooner than later. The Institute arranges 6-8 weeks of Summer Internship Programme (SIP) in leading industries across different sectors mostly in metropolitan cities. The numbers of paid internships is on the increase, year on year basis.

# FINAL PLACEMENT

The placement department maintains excellent rapport with leading corporate houses located in different parts of the country. The department actively collaborates with them to conduct placements and has been successful in providing a choice of jobs to the students, based on their specialisations.

It also seeks suggestions from companies from time to time to take steps for enhancement of different skills appropriate to the present needs of the industry. Our students have joined reputed companies through campus and off-campus recruitments and the placement record of the Institute has been improving year by year.

# ROLE OF PLACECOM MEMBERS

The Students Placement Committee (Placecom) is constituted every year to play active role in placement process. The Placecom members play active role in:

- · Framing Placement policies & rules
- Visiting companies, making presentations and professional networking
- Invite Corporate leaders for talk
- Coordinate with students and Manage Campus

# PLACEMENT PROCESS

Companies accept the invitation and after confirming eligibility criteria for the job provide additional information such as job profile, job description, location, compensation package, expected date of joining, etc.

Date for campus recruitment is decided with mutual consent followed by pre-placement talk by the recruiters on a specified date and time.

Registered students go through selection processes like written test/GD/PI.

Recruiting organizations declare results immediately and issue offer letters.

## INTERNATIONAL EXPOSURE

It is an undeniable fact that global exposure will enable you to be more confident in yourself and to be independent. You will learn skills like problem-solving, practical thinking and the ability to make decisions that are the best for you. You will become more confident in the knowledge and abilities you have gained through your education. You will learn to be independent, both in your personal life and financially with the better job opportunities you receive.

## ENTREPRENEURSHIP DEVELOPMENT CELL (ED CELL)

The mission of the Entrepreneurship Development Cell at Srusti Academy of Management is to empower the Young Professionals to exploit their full potential for setting up their own ventures thus becoming "job generators" rather than "job seekers". Unemployment is one of the biggest problems faced by India today. Unemployment not just among the uneducated but also has branched its roots to the educated youths in large numbers. India being a young country, a major chunk of its population is youth, and to tap their full potential we need to empower our youth with the right set of skills and opportunities. Entrepreneurship is one of the greatest combat the menace weapons to unemployment.
