This transformation reflects our broader vision of integrating management excellence with technological innovation, paving the way for new achievements and greater impact in the years ahead.

Our outstanding alumni are more than simply Srusti Academy of Management & Technology grads. You are the trailblazers, visionaries, and change-makers with the unique ability to determine our nation's destiny.

Every step you take in your professional path contributes significantly to the creation of a Viksit Bharat. Each idea you generate, the initiative you lead, and the person you touch has a significant influence on making India stronger. more inclusive, and wealthier.

As we dream of a developed country, we turn to you to carry this goal forward. You possess the talents, expertise, and determination to effect change in industries, inspire communities, and develop the next generation of leaders.

Consider how you may give back to the community that has impacted your life. How may my actions now impact the nation's future? How can linspire optimism, drive progress, and leave a lasting legacy of transformation? You may be a mentor. You are capable of innovating. You can be a leader.

Every modest action and every thoughtful input cause waves of change that extend far beyond our imagination. The dream of Viksit Bharat is shared by millions, not just a few. ### **President Message**

As we close the chapter on another remarkable year, it fills me with immense pride to reflect on our collective journey. This year has been a testament to the power of collaboration, determination, and a shared commitment to excellence.

One of the standout moments of the year was the grand **Alumni Meet** held on 22<sup>nd</sup> December 2024, which brought together a diverse group of alumni from across batches. It was a truly memorable occasion filled with laughter, nostalgia, and meaningful exchanges. The energy and enthusiasm of every participant made it a celebration to remember. I extend my heartfelt gratitude to each one of you who took the time to attend, contribute, and make it a success.

Beyond the alumni meet, this year has been filled with accomplishments that highlight the strength of our network. From mentoring students to supporting entrepreneurial ventures and initiating impactful community projects, we have shown what is possible when a committed group of individuals comes together for a shared purpose.

As we step into 2025, we do so with renewed energy and ambitious goals. The coming year will be all about expansion and innovation. Our focus will be on creating platforms that enable deeper interactions between alumni and students, fostering an ecosystem where ideas flourish and opportunities are created.

#### Here's a glimpse of what's in store for 2025:

**Digital Transformation:** We plan to launch a dedicated alumni portal that will serve as a hub for networking, knowledge sharing, and collaboration. This portal will feature job boards, mentoring opportunities, and resources to support personal and professional growth.

**Skill Enhancement Initiatives:** We aim to organize specialized training sessions and workshops, helping both alumni and students stay ahead in a rapidly evolving world.

**Social Impact Projects:** Expanding our community outreach programs will be a priority. Together, we will work on initiatives that address pressing societal challenges, such as education, sustainability, and healthcare.

**Annual Alumni Meet 2025:** Building on the success of this year's event, we envision an even grander celebration next year, bringing in more participants and fostering new opportunities for partnerships and collaborations.

The strength of any alumni network lies in its members, and I urge each one of you to be an active part of this journey. Your ideas, contributions, and participation will shape our success in 2025 and beyond.

As we prepare to welcome the new year, let us carry forward the spirit of unity and purpose that has defined us. Together, we can create a future that reflects the values we stand for and the aspirations we hold dear.

Here's to a year of growth, innovation, and meaningful impact. Let us move forward, hand in hand, towards a brighter tomorrow.

### Principal's Message

Good Readers.

Dear Readers,

It is with immense pride and joy that I extend my greetings to you through this edition of Srusti Express. Starting the road towards Viksit Bharat, a vision of a developed and self-reliant India, the importance of our alumni in determining the course of the country is more evident than ever.

At Srusti Academy of Management and Technology, we have always valued developing leaders, inventors, and changemakers. Our alumni, who work in many different fields and sectors, are evidence of the principles of tenacity, quality, and service we teach our students. I want you to help India drive this change using your knowledge and experience as it moves toward global leadership, technical innovation, and economic development.

Viksit Bharat is a collective hope as much as a governmental ambition. Your contributions are forming the fabric of a progressive India whether in business leadership, academics, entrepreneurship, or social projects. We are very proud of your successes and look forward to encouraging further alumni involvement to encourage and mentor our present students.

Let's gather to create an innovative, knowledgedriven, sustainable India. Your alumni mater is still your house; we cordially ask you to mentor the next generation of leaders, reconnect, and work with us.

Looking forward to active involvement in our common goal and wish you ongoing success.
